DIRECTIONS:

1. Cut Balmy Blue Cardstock to 2-3/8" x 11. Using Balmy Blue ink stamp the snowflake images. Score on the long side 2-1/4", 3- 1/4", 7-3/4, and 8-3/4
 2. Place a few strips of Tear N Tape on the backside of the kleenex and place in the center.
 3. Cut a piece of Whisper White to 1-1/2" x 7-1/2". Using Balmy Blue ink stamp the snowflake images on the strip of 4. Whisper White cardstock. Score at 2", 3", 5-1/4" and 6-1/4". Using the Stitched Shape Framelits dies cut a circle using the smallest circle on Balmy Blue cardstock.
 4. Place the belly band around the kleenex holder and place a small strip of Tombow Multipurpose Glue to hold it in place
- Stamp the sentiment in VersaMark and coat with the Silver Embossing Powder. Set using the heat tool.
5. Using Silver Glimmer paper die cut the snowflake. Using the Fine Tip Glue Pen place on the belly band. Make sure you do not put glue on the lower half of the snowflake. You only want it to stick to the belly band.
 6. Place a few Stampin' Dimensionals on the back of the circle and place in the center of the kleenex holder.
